SUB ROSA

Issue 1 (Dec 2022)

FEATURING HANNA SMYTH

A message from the Editor

It's always a pleasure to work with Hanna to create new and beautiful images. Her passion for modeling, fashion, and beauty always takes her sets to the next level. She is just as talented as she is passionate. Her hard work and bright spirit is reflected in every shoot we work on together.

I am very excited to share this collection of photographs from a set I am passion about. One that showcases Hanna's skills as a model, and brings her passion for fashion and beauty together in a beautiful way.

I hope you enjoy this first issue of 'Sub Rosa' as we bring on our secret shoots we've been holding onto, into the light.
