FEATURING WHITNEY

A message from the Editor

I've worked on a lot of exciting photo shoots this year. But when Greg reached out about shooting with his 2006 Lamborghini and 2014 Corvette, I knew it would be one to remember.

When it came time to shoot, there was one person that I knew would be perfect for this shoot and it was Whitney. Not only is she a great car model, but she loved posing with the Lambo. I mean who wouldn't though, right? Her bright smile and the beautiful blue skies added something special to this set.

I hope you enjoy one of my personal favorite shoots from 2022.
